Camp Visitors

We have found our campers have a more complete camp experience by minimizing visitors to our camp session.

If you must visit, please follow all visiting guidelines. Because of limited space in some activity venues, you may be asked to stand or wait in the lobby to allow our campers and staff to fully participate in the activities.

All visitors to camp must check in at CAMP CENTRAL which is marked by signs from the main campus entrance. No visitors under 18 years of age are allowed without an adult sponsor. All visitors must wear proper ID and comply with visiting hours. No visitors are allowed in residence portions of the dorms at any time.

Closed Camp

To enhance the camper's experience we do not allow checking in and out of camp. Students cannot be checked out for visits, sports events, etc. **When registering, please plan on staying for the full session of camp.** Students who check out early will not be allowed to return to camp during this session.
